### BISON GOLD ANNOUNCES SIGNING OF ARRANGEMENT AGREEMENT

**Toronto, Ontario – August 8<sup>th</sup>, 2017** – Bison Gold Resources Inc. (“**Bison**” or the “**Company**”) (BGE - TSX.V) announces that it has entered into a definitive arrangement agreement with Klondex Mines Ltd. (“**Klondex**”) effective August 7<sup>th</sup>, 2017 (the “**Arrangement Agreement**”) whereby Klondex has agreed to acquire, by way of a court-approved plan of arrangement in accordance with the *Business Corporations Act* (Ontario), all of the issued and outstanding common shares of Bison (“**Bison Shares**”) in exchange for cash or common shares in the capital of Klondex (the “**Klondex Shares**”), or a combination of cash and Klondex Shares, as further described below (the “**Transaction**”).

The Transaction will be completed by way of a Plan of Arrangement (the “**Arrangement**”) whereby Bison shareholders will exchange all of their issued and outstanding Bison Shares for, at the election of Klondex: (i) cash; (ii) Klondex Shares; or (iii) a combination of cash and Klondex Shares, all in accordance with the following options (the “**Arrangement Consideration**”):

- (a) if Klondex does not make a Share Election (as defined below), \$0.59 in cash per Bison Share;
- (b) if the volume-weighted average trading price of the Klondex Shares on the Toronto Stock Exchange (“**TSX**”) for the five-day period ending on the last trading day prior to the Share Election Date is less than \$5.50 per Klondex Share and Klondex makes a Share Election, (i) such number of Klondex Shares as is equal to the quotient of \$0.59 divided by the volume-weighted average trading price of the Klondex Shares on the TSX for the five-day period ending on the last trading day prior to the Share Election Date rounded to four decimal places, or (ii) any combination of cash and Klondex Shares in accordance with (i) and on the basis of \$0.59 per Bison Share in cash, all in accordance with the Share Election; and
- (c) if the volume-weighted average trading price of the Klondex Shares on the TSX for the five-day period ending on the last trading day prior to the Share Election Date is greater than or equal to \$5.50 per Klondex Share and Klondex makes a Share Election, (i) 0.1072 of a Klondex Share, or (ii) any combination of cash and Klondex Shares in accordance with (i) and on the basis of \$0.59 per Bison Share in cash, all in accordance with the Share Election.

Klondex may make an election (a “**Share Election**”) on or prior to the date that is one business day following the date the final court order for the Arrangement is obtained (the “**Share Election Deadline**”) to pay all or a portion of the Arrangement Consideration in the form of Klondex Shares. For greater certainty, if Klondex does not make a Share Election, the Arrangement Consideration will be paid in the form of cash.

The board of directors of Bison (the “**Bison Board**”), after receiving the unanimous recommendation of a special committee comprised of independent directors of the Bison Board (the “**Special Committee**”), has approved the Arrangement and the entering into of the Arrangement Agreement and has determined to recommend that shareholders of Bison vote in favour of the Arrangement. The Bison Board, in its review of the Arrangement and determination to recommend the Arrangement to shareholders, considered a number of factors, including, but not limited to, the following:

- *Significant Premium to Market:* The Arrangement Consideration, either in the form of cash or Klondex Shares, or a combination of both, is based on a price of \$0.59 per Bison Share which

represents a 131% premium to the last close price of Bison's common shares on the TSX Venture Exchange as at August 2<sup>nd</sup>, 2017.

- *Access to Klondex Resources:* In the event Klondex makes a Share Election, the Klondex Shares to be acquired by Bison shareholders will provide Bison Shareholders with the opportunity to be shareholders of a larger, more diversified company with a broad portfolio of properties and access to Klondex's technical, project development and operating capabilities as well as financial resources.
- *Fairness Opinion:* The opinion of Clarus Securities Inc. ("**Clarus**"), dated August 2<sup>nd</sup>, 2017, to the Special Committee, that the Arrangement Consideration is fair, from a financial point of view, to the shareholders of Bison.

If Klondex does not make a Share Election, each Bison stock option ("**Bison Option**") outstanding immediately prior to the effective time of the Arrangement (the "**Effective Time**") shall be immediately cancelled in exchange for a cash payment equal to the excess, if any, of: (i) the product of the number of Bison Shares underlying such Bison Option and \$0.59; over (ii) the applicable aggregate exercise price of such Bison Option. If Klondex makes a Share Election, each Bison Option outstanding immediately prior to the Effective Time shall be exchanged by the holder thereof, without any further act or formality and free and clear of any liens, claims or encumbrances, for an option to acquire from Klondex, subject to certain adjustments, the number of Klondex Shares equal to the product obtained when: (i) the number of Bison Shares subject to such Bison Option immediately prior to the Effective Time, is multiplied by (ii) the applicable exchange ratio in accordance with the Arrangement Consideration as detailed above. All Bison warrants ("**Bison Warrants**") outstanding immediately prior to the Effective Time will remain outstanding and, following the Effective Time, shall entitle the holder thereof to receive upon the subsequent exercise or conversion of such holder's Bison Warrant, in accordance with its terms, in lieu of each Bison Share to which such holder was theretofore entitled upon such exercise or conversion but for the same aggregate consideration payable therefor, the Arrangement Consideration, as so elected by Klondex.

Completion of the Arrangement is subject to customary closing conditions, including court approval, the approval of holders of not less than 66 2/3% of the holders of Bison Shares voted at a special meeting of Bison shareholders that will be called to approve the Arrangement (the "**Special Meeting**") as well as majority of the minority approval as required under applicable Canadian securities laws. The Arrangement is also subject to the approval of the TSX, NYSE MKT, TSX Venture Exchange and all applicable regulatory authorities, as well other conditions typical for a transaction of this nature.

The terms of the Arrangement will be summarized in an information circular of Bison (the "**Circular**") that is anticipated to be mailed to the shareholders of Bison in connection with the Special Meeting which is expected to be held in late September or early October 2017.

All of the directors and officers of Bison, and all of the shareholders of Bison holding greater than 10% of the outstanding Bison Shares, collectively holding a total of 1,611,760 Bison Shares, representing approximately 16.7% of the outstanding Bison Shares, have entered into agreements with Klondex pursuant to which they have agreed to vote their Bison Shares in favour of the Arrangement.

The Special Committee retained Clarus in order to provide an opinion as to the fairness of the Arrangement Consideration, from a financial point of view, and retained Wildeboer Dellelce LLP as its legal counsel. Irwin Lowy LLP is acting as legal counsel to Bison. Bennett Jones LLP is acting as legal counsel to Klondex.

A copy of the Arrangement Agreement, the Circular and related documents will be filed with the Canadian regulatory authorities and will be available for review under Bison's SEDAR profile at [www.sedar.com](http://www.sedar.com).
